Annual Quality Assurance Report (AQAR)
2017-18

The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. (Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)

2. **Goal** :- i)To Provide basic Health facilities to the students.

ii)To create awareness about the Health of the students.

3. **Context** :-

Most of the students of the college are from a rural area. Generally, such students do not care for their health. Some times they suffer from when there is the change in the climate from time to time. If they are provided the basic health facilities, just they may not suffer from such sickness. So we want to create this kind of awareness about the health of the students.

4. **Practice** :- To achieve the above goal the college has formed the Health care committee. There is a special Health care committee in which three visiting Doctors check up the students and give the consult to the students. This facility is provided to the students twice in year. Anthropometric measurement of the students are taken regularly Blood check up of camp is organized every year.

5. **Evidence of Success** :- A number of students are benefited due to the check up and the lectures delivered by these expert doctors on various diseases. Malnutrition among students is cured through diet counselling.

6. **Problems uncounted and Resources required** as the majority of the students come from the poor and rural family backgrounds it is also one of the reasons that they feel awkward to say about their health problems clearly so purposefully the college invites the lady Doctors to check up the students. The college provides the first Aid to the students.

annexure –ii Best Practices

1. Title of the Practices :- Entrepreneurship Development Programme for Students.

2. Goal :- i] To develop Entrepreneurship among the students.

ii] To motivate the students for self employment.

3. Context :- As we know that, we are living in the age of computer Almost all the works are done by the machine itself. There is also a very great problem of unemployment in our country. The college wants to give the professional education to the students. Along with the regular B.A. and M?A. degree course, nowadays, it has become the need of time to have the guidance regarding Entrepreneurship for the students.

4. Practice :- To achieve the said goal, the college Organizes the various guest lectures and the workshop. Through these activates, the students are made aware of the present unemployment problems. Information regarding the various job opportunities is provided to the students.

5. Evidence of Success :- On the 9th and 10th February 1018 a workshop on Entrepreneurship Development for the students was organized Near about 50 students have started their own small scale business like beauty parlours, fashion Designing, preparation of masale papad etc.

6. Problems of encountered and Resources required :- The students are facing the marketing problem for their products there is the limited scope for industrial visit because of the scarcity of funds. The certificate courses like like beauty parlours, fashion Designing have been started in the college.
